

## OREO PANCAKE BALLS

### INGREDIENTS:

Greens Original Pancake Shake 375g

1 x packet of Oreos

Vegetable Oil

### RECIPE:

1. Prepare Greens Original Pancake Mix as per instructions.
2. In a small saucepan, fill about an inch of oil and put on medium heat.
3. Pour some Greens Pancake batter into a small bowl and coat an Oreo in the batter – make sure each side of the Oreo is fully coated.
4. Once the saucepan is heated up, place the coated Oreo in the pan and let it sit for 5 seconds and turn it over, using tongs, to then cook for 5 seconds on the other side – make sure you only let it sit in the oil until it is golden brown or else it will burn.
5. Repeat the above steps with the whole packet of Oreos and let them sit for a few minutes before serving.
6. Then serve with icing sugar dusted over the top.

You will have some leftover batter as the Oreo packets only contain about 10 Oreos so you can either coat more Oreos or you can put the leftover batter in the pancake bottle in the fridge – making sure you use within 2 days and shake before use.
